

The English Garden

*" I dreamed of a wedding of casual elegance...
A garden filled with flowers
And friends...
I asked him what kind of wedding
He wished for...
He said one that would make me his wife..."*

Have you been dreaming of a garden wedding? Beautiful flowers, clinging vines, green lawns, bubbling fountains, white linens, soft music, twilight skies...? Then The English Garden is perfect for you.

Outdoor weddings are beautiful and romantic but can be very difficult to coordinate. It takes a lot of time; planning, multiple deposits, coordinating all the vendors, renting tables, chairs, linens, hiring the photographer, caterer, D.J., minister, cake, three estimates on everything, not to mention landscaping the yard.

Your wedding day is for you to enjoy with friends and loved ones. Why be worn out before it arrives? Let The English Garden do everything for you! All you have to do is arrive on your wedding day and we will take care of the rest.

The English Garden is a unique wedding venue. We have a beautifully landscaped garden designed for ceremonies and receptions, May through October. The garden is an intimate setting, accommodating 50-125 guests. Our wedding plan is a delight, not only for brides and grooms, but parents alike.
